

Personal Devices & Belongings

Personal Devices & Cell Phones

During classes, students must turn the power off on cellular telephones/ipods & tablets upon arrival time through to dismissal. Students are not permitted to make or receive telephone calls, or to send or receive text messages during class.

Electronics & Valuables

Students are strongly discouraged from bringing any personal belongings to school that are not directly necessary for their studies. In particular, cellular telephones, Nintendo DS, iPods and cameras are often lost by students and can be tempting targets. The school expresses no responsibility to conduct an investigation of circumstances surrounding these losses. In bringing non-essential personal property to school, students and parents accept all the associated risks.

Confiscated Materials

In accordance with CBE Administrative Regulation 6014 – [Student Searches](#), school staff who find a student's use or possession of an item to be interfering with instruction or with the safe and orderly conduct of school, may confiscate the item. This includes cell phones/ipods and tablets. Confiscated items will be turned into the office and be available and returned only to Parent/Guardian at the end of the school day

Personal Property

Please make sure your child has indoor shoes and a backpack is advisable. For hygiene reasons, we also recommend that students bring a personal set of head phones or ear buds in a zip lock bag. If you require a backpack or school supplies for home please let the office know. We have a number of backpacks which are donated each year.

Bicycles, Rollerblades, Skateboards & Scooters

Children who ride bikes to school park them at their own risk. Bicycles must be kept locked on the bike racks provided and are not to be ridden on the school grounds. Children are encouraged to wear helmets, as it is the law. Helmets should be stored in their classrooms on their coat hooks throughout the day. As per posted CBE signage, rollerblades, scooters and skateboards are not allowed to be used on school grounds.

Lost & Found

The Lost and Found is located at the far end of the main hallway. Periodically, items not claimed from the lost and found are given to local charities or discarded.
